

"ASI learn to surf resources, used in our Certificate II in Outdoor Recreation program, are informative and relevant to the needs of our students."

Safety Bay Senior High School, Western Australia

ASI Firsts In The Industry

- Developed international industry standards that allow:
 - instructors to teach in different locations around the world
 - the general public to identify high quality adventure schools
- Created 'Learn to Surf' skills for beginners, intermediate and advanced levels and covering ten levels of attainment, with accompanying learn to surf manuals.
- Created the stand up paddle accreditation standards for learn to SUP levels, instructors and SUP school operations for different locations and SUP specialities.
- Created the bodyboarding accreditation standards for learn to bodyboard levels, instructors and bodyboard school operations.

ASI Instructors

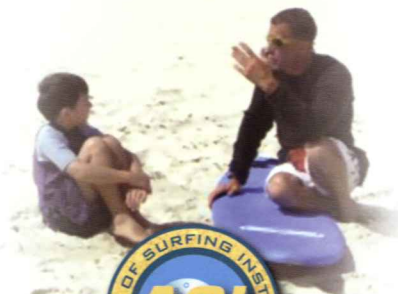

- Are adventure sports professionals
- Are skilled in the relevant sport discipline
- Provide quality instructing techniques
- Maintain the highest standards of safety

ASI Schools

- Provide the public with access to lessons, coaching and sports related experiences
- Meet ASI's worldwide standards for training, equipment and safety
- Undergo regular ASI quality audits

ASI Programs & Resources

- High quality learn to manuals, student workbooks & teachers guides
- Make learning easier using a modularised learning framework
- Suitable for use in vocational school and sport programs
- Certificates available for each level of attainment
